This certifies that:

I have applied for the above mentioned life insurance policies.

I attest that the Bancassurance Sales Executive has explained to me the advantages and disadvantages of purchasing multiple policies. I understand that I will be paying separate policy fees for each of these plans. I am aware that I have an option to lump all the face amounts into one policy and pay for one policy fee, however, I chose to purchase multiple policies, and pay several policy fees.

I confirm that the purchase of multiple policies is my decision and I am doing this because it serves my personal interest.
